

## **Business and Non-Instructional Operations**

### **Purchasing Procedures**

The duties of purchasing for the Board of Education shall be directed by the Superintendent of Schools through his/her designee, who shall conduct all purchase transactions for the district in accordance with the annual budget spending plan.

The Superintendent of Schools shall develop regulations and procedures for the purchasing program of the school system, including ordering, verifying receipt of orders, distribution of materials received, and payment of bills. Every transaction involving the transfer of property shall be by purchase order or formal contract. Purchase orders and other purchase obligations shall be signed by the Superintendent or designee.

The purchase system shall be followed as established with exception to be made only upon the approval of the Superintendent, and purchases or contracts made outside of the approved purchasing system shall not be the responsibility of the Board of Education. The Superintendent and other staff shall:

1. Buy the proper product for the purpose required.
2. Have the product available when needed.
3. Buy the proper amount of the product.
4. Pay the proper price.

The Superintendent or designee shall be familiar with and perform all purchasing activities within the limitations prescribed by law, legal opinions, and in accordance with Board of Education policies.

Specifications governing materials are a joint responsibility of the educational and business departments.
