SUBJECT: **2017-18 Calendar and Snow Days**

Attached is the approved calendar for the 2017-18 school year. Please note that students will return for the start of school on Tuesday, September 5, 2017, the day after Labor Day. This start date is later than usual as we will be starting construction/abatement on the two elementary schools and our contractor asked for these extra days in the summer.

Also, please be aware beginning immediately, if we should need to have a delayed start due to snow or inclement weather, those delays will now be for two hours instead of 90 minutes as in the past. This change will align us with our neighboring districts and be better for staff members and parents.
