Dear Parents/Guardians:

In accordance with CT Public Act 14-172, Stonington Public Schools will provide yearly notification to students and families of the process by which students may make anonymous reports of bullying, at the beginning of each school year. Electronic and anonymous reporting is available through a link on each school's website. Please look for the link that says "Report an Act of Bullying". Links to each school's website, can be found by visiting our district page, [www.stoningtonschools.org](http://www.stoningtonschools.org) and selecting the "Schools" tab at the top of the page.

Hard copies of this form are also available in the main office of each school building.

Please speak to your student about the importance of reporting and the opportunity to do so anonymously. If you have any questions about this process, you are urged to contact your building administrator.

Sincerely,

Allison Van Etten  
Director of Special Services  
District Safe Schools Coordinator
