Mandatory walkthrough for all interested vendors bidding on this contract shall be held at Stonington Middle School on Tuesday, June 11, 2019 at 3:30 pm.

Stonington Pubic Schools

BID SPECIFICATIONS

I. INSTRUCTIONS

These bid specifications accompany all contracts for supplies, services and construction for the STONINGTON PUBLIC SCHOOLS. (The STONINGTON PUBLIC SCHOOLS is referred to herein as the "Owner".)

Certain of these specifications will apply only to certain types of contracts, as will be apparent from the content.

The Owner has provided information about the contract on the Cover sheet. This bid Specifications may also be accompanied by other contract documents depending on the type of contract. Bidders should review those carefully and include with their bid any additional sheets that are to be filled out, including alternates and unit prices.

The Owner is exempt from the payment of Federal Excise Taxes and Connecticut Sales and Use Tax. These taxes must not be included in bid prices nor added to any items specified.

II. BIDDING PROCEDURE

Bids will be accepted until the date and time indicated on the Cover Sheet.

Bids shall be in sealed envelopes with the bidder's name in the upper left corner and the name of bid and the time and date of bid opening in the center of the envelope. Two original executed copies of all the bid papers must be included in the envelope. All bid documentation must be readable and legible.

Bids may not be sent by fax or any other electronic means.

Any bid may be withdrawn prior to the scheduled bid opening as indicated on the specification Cover Sheet, or prior to an authorized postponement date thereof.

Any bid received after the date and time specified on the specification Cover Sheet for receipt of the bid or an authorized extension thereof, will not be considered.

If the Cover Sheet indicates that bid security is required, each bid must be accompanied by a certified check or cashier's check drawn upon a bank to the order of Stonington Public Schools, or the bid must be accompanied by a bid bond, having as surety one or more surety company or companies authorized to do business in the State of Connecticut. No certified check or cashier's check on hand will be returned until the bid is awarded. If you are awarded the bid, your check will be held until it is replaced with performance and payments bonds.

No bidder may withdraw its bid for a period of 60 days following the actual time of bid opening.

Bidders are required to attend any site visit indicated on the Cover Sheet

Any questions by bidders must be submitted in writing, not orally. If appropriate the Owner will respond by Addenda.

III. REVIEW AND AWARD OF BID

The Owner will make a determination of whether a bidder is responsible based on the following

including but not limited to:

- ☐ The bidder has been in the business of painting commercial and school surfaces for a minimum of five years.
- ☐ The bidder shall provide four (4) references of both public and private sector clients for whom they have provided service similar to that which is specified in this bid document in the last three years. At least three of these references should be a public school reference in the State of Connecticut, Massachusetts or Rhode Island.

The Owner reserves the right to reject any and all bids.

The Owner reserves the right to negotiate with any bidder prior to award.

The Owner reserves the right to waive any informalities in bids.

The Owner may reject any bid deemed non-responsive or conditional.

The Owner may make such investigations as it deems necessary to determine the ability, qualifications and experience of the bidder to perform the work. The bidder shall furnish to the Owner all such information and data for this purpose as the Owner may request.

If no responsive bids are received, the Owner reserves the right to negotiate with all responsible bidders for the award of the contract.

In the event that only one bid is received, a price and/or cost analysis may be made before the award of the contract. A price analysis is the process of comparing the bid to other similar procurements. Where it is impossible to conduct a valid price analysis, it may be necessary to conduct a cost analysis of the bid price. The single bidder will then be required to provide sufficient information and data so that this analysis can be made.

IV. CONTRACT GENERAL CONDITIONS

Bonds

If this is a construction project the successful bidder will post performance and payment bonds for 100% of the contract price.

Insurance

Prior to the start of work the bidder shall submit to the Owner certificates of insurance in the amounts indicated by the Insurance Requirements Chart attached hereto. The certificates shall indicate that the respective Boards of Education" are additional insured under the applicable policies.

Prevailing Wage

If this is a construction project, this contract may be subject to Connecticut General Statutes Sect. 31-53, as amended. Generally, that statute applies to new construction projects totaling \$1,000,000.00 and over, and repair or rehabilitation projects totaling \$100,000.00 and over. The statute imposes certain wage requirements and reporting requirements on contractors and subcontractors, and carries serious penalties for violation of the law. If it appears to the Owner that the statute applies to this project, a current listing of prevailing wages is included in the contract documents. As stated in the statute the contractor will provide the Owner with time records of their employees and their subcontractors' employees who work on the project.

Subcontracting

Unless specifically indicated in the contract documents, no part of the contract may be subcontracted or sub-let without written permission of the Owner.

Cancellation

The Owner reserves the right to cancel the contract for its convenience at any time. In such event, the contractor's recourse shall be limited to its actual monthly billed cost and shall in no instance include lost profits or consequential damages or charges related to reputation.

Warranties

All products and work shall be warranted for a period of three years unless a longer period is stated in the contract documents.

If this bid is not for construction, any applicable product or service warranty must be submitted with the bid. All such warranties shall inure to the benefit of the Owner.

Products, Substitutions and Samples

Unless otherwise indicated, specification references to commercial types, styles, trade names and catalogues are intended to be descriptive only, not restrictive, and indicate to the bidders the type and quality of articles considered satisfactory. Each bid shall be accompanied by the manufacturer's date covering the item on which the bid is submitted the required information shall be quoted on the specification sheet. If more space is required, please submit an attachment and reference the item number of the item and a description of the proposed alternate. If the item differs from the minimum specifications set forth, a letter shall accompany the proposal outlining the variance; otherwise it will be assumed that the proposal conforms strictly to these specifications. The name and address of the proposed manufacturer must accompany the proposal. Rights of substitution shall cease upon acceptance of the proposal by the Owner. In the event there is ambiguity or question as to what type of equipment or material the bidder has proposed, the higher quality item shall be required.

If you propose a substitution you must indicate in your bid substitutions identified by name or catalogue number and the net difference in cost to the Owner. Listed substitutions will be considered for approval only after the award of the contract; the Owner reserves the right to require the originally specified material or equipment at the price submitted by the bidder in his bid, notwithstanding the fact that the bidder may have based a price for a specific item on a proposed substitution. In this regard, the Owner shall make its determination made in good faith, on the basis of the quality and type of the article listed. Any benefit in price reduction due to a substitution shall accrue to the Owner.

Wherever an item number is indicated with an asterisk, a sample properly tagged shall be submitted by each bidder before the time of the bid opening. The tag on the sample shall indicate the item number, and the name of the company submitting the sample. A double asterisk when shown with an item number requires that a descriptive catalogue cut or other identifying material be submitted

for that item. All samples may be retained by the Owner until bidders are notified to remove them. The Owner will not be responsible for any equipment samples not picked up within 30 days of the notification to bidders to do so. Samples of supplies (consumable items) will not be returned to bidders. Bidders agree that the Owner will incur no liability for samples which are damaged, destroyed or consumed in testing processes. Samples requested are to be delivered to the Location Address indicated on the Cover Sheet.

Packing and Delivery

All materials delivered on this contract shall be packed in a substantial manner in accordance with accepted trade practice. No charges may be made over and above the bid price for packaging, or for deposits on containers. A packing slip shall be included in each shipment. All packages must be clearly marked as to content. Deliveries must be made before 12:00 noon unless otherwise specified.

All deliveries must be made prepaid and must be delivered to the location subsequently designated on the purchase orders at no cost over and above the bid price indicated in your bid. Deliveries must be made inside the building indicated. In no case will collect shipments or sidewalk deliveries be accepted.

Regulations Governing Product Design, Safety and Composition

All products must conform to strict OSHA standards as required by law. Ingredients contained in products shall conform to Federal and State of Connecticut Regulations governing safety of product for use in our schools.

Certifications of compliance to these standards may be required to be submitted by the bidder awarded the contract.

MSDS identification sheets where required must be mailed to the Owner at its Business Office.

Changes, Deviation From the Specification

Any deviation from the contract requirements or specifications must be completely detailed in writing by the contractor and approved in writing by the Owner prior to the performance of said work. Any change in the work or contract requirements likewise must be detailed in writing by the contractor and approved in writing by the Owner prior to the performance of said work.

Environmental Certifications

If the contract entails any exposure to a regulated material including but not limited to asbestos or lead, the bidder certifies that it and each of its subcontractors and their workers will be certified and trained under all OSHA and other relevant regulations for such work.

Funding Requirements

Some or all of the contract may be funded by state, federal or other grant programs. The bidder is advised that such funding programs may include contractual provisions binding on contractors and which may, for example, require audits or certifications under oath that the contractor has not been debarred, suspended or excluded from any publicly funded project or programs.

Time of Performance; Delays

Bidders are advised to examine the contract documents regarding the time of performance.

If this is a construction project the contract documents may indicate an estimated start date and time of completion, and may include liquidated damages for late completion.

If this is a services contract the contract documents may indicate the period of services sought, and may include provisions for renewal.

If this is a contract for the sale of goods, the bid may include the bidder's proposal for how soon products may be delivered and for how long the bid price will remain available.

The commencement or performance of this contract may be delayed due to events which are not the contractor's responsibility. In such event the contractor shall be entitled to an extension of time but no monetary compensation.

Nondiscrimination Clause

The bidder is required to comply with all provisions of the Civil Rights Act of 1964, the Equal Employment Opportunity Act of 1972, Executive Orders 11246, 11375, 11478 and if applicable, the Connecticut Fair Employment Practice Law.

Pursuant to Conn. Gen. Stat. Sect. 4a-60, the contractor agrees and warrants that in the performance of the contract, the contractor will not discriminate or permit discrimination against any person or group of persons on the grounds of race, color, religious creed, age, marital status, national origin, ancestry, sex, mental retardation or physical disability, including but not limited to, blindness, unless it is shown by the contractor that such disability prevents performance of the work involved, in any manner prohibited by the laws of the United States or the State of Connecticut. The contractor further agrees to take affirmative action to insure that applicants with job related qualifications are employed and that employees are treated when employed without regard to their race, color, religious creed, age, marital status, national origin, ancestry, sex, mental retardation, or physical disability, including, but not limited to, blindness, unless it is shown by such contractor that such disability prevents performance of the work involved; (2) the contractor agrees, in all solicitations or advertisements for employees placed by or on behalf of the contractor, to state that it is an "affirmative action-equal opportunity employer" in accordance with regulations adopted by the Connecticut Commission on Human Rights and Opportunities; (3) the contractor agrees to provide each labor union or representative of workers with which such contractor has a collective bargaining agreement or other contract or understanding and each vendor with which such contractor has a contract or understanding, a notice to be provided by the commission advising the labor union or workers' representative of the contractor's commitments under this section, and to post copies of the notice in conspicuous places available to employees and applicants for employment; (4) the contractor agrees to comply with each provision of section 4a-60 and section 46a-68e and 6a-68f and with each regulation or relevant order issued by said commission pursuant to sections 46a-56, 46a-68e, and 46a-68f; (5) the contractor agrees to provide the Commission on Human Rights and Opportunities with such information requested by the commission, and permit access to pertinent books, records and

accounts concerning the employment practices and procedures of the contractor as related to the provisions of this section and section 46a-56.

If this is a construction contract, the contractor agrees and warrants that he will make good faith efforts to employ minority business enterprises as subcontractors and suppliers of materials.

Indemnification

To the greatest extent permitted by law, the bidder agrees to defend, indemnify and save harmless STONINGTON PUBLIC SCHOOLS and each of its respective Boards of Education, their agents and employees from and against all claims, demands, damages, workers compensation payments, or other loss or expense, including costs and attorney's fees, arising out of or resulting from the performance of this contract, including any bodily injury, including death at any time resulting there from, sustained by any person or persons (including employees of the contractor or any person or persons (including employees of the contractor or any subcontractor) or on account of damage to the property of any person, including the loss caused in any degree by the negligence of STONINGTON PUBLIC SCHOOLS, the respective Board of Education, their agents and employees or otherwise. The existence of insurance shall in no way limit the scope of this indemnification.

Orders

Upon award and issuance of a purchase order by the Owner no changes or modifications to this order shall be allowed unless such change is authorized by the Director of Finance of Stonington Public Schools.

INSURANCE REQUIREMENTS CHART

Comprehensive General Liability	Bodily Injury \$1,000,000 each person	Property Damage \$3,000,000 each occurrence
Comprehensive Auto Liability	Bodily Injury \$1,000,000 Each person	Property Damage \$3,000,000 each occurrence
Worker's Compensation	Statutory	
Employer's Liability	Each Occurrence \$500,000	

Asbestos abatement companies are required to provide an asbestos abatement liability policy in the amount of \$1,000,000. This is in addition to the above requirements.

THE CONTRACTOR MUST NAME ALL STONINGTON PUBLIC SCHOOLS BOARDS OF EDUCATION AS ADDITIONAL INSURED ON ALL CERTIFICATES. CONTRACTOR MUST MAINTAIN COVERAGE FOR DURATION OF THE CONTRACT.

NOTE: By bidding on this contract the vendor agrees that any or all past clients may be contacted by STONINGTON PUBLIC SCHOOLS. The vendors bidding on this contract also agree to release and discharge by bidding on this contract for the vendor him/herself, his/her heirs executors administrators and assigns, release acquit and forever discharge STONINGTON PUBLIC SCHOOLS, their Board of Education and all employees and any or all other persons, firms and corporations of and from any and all actions, causes of actions, claims or demands for damages, costs, loss of services, expenses, compensation, consequential damage or any other thing whatsoever, on account of, or in any way growing out of any former client contacted by STONINGTON PUBLIC SCHOOLS to obtain an opinion regarding any work performed by your company. The above release shall also include and apply to any former client contacted.

Sincerely,

Gary J. Shettle

Specification for Stonington Middle School Painting

PAINTING - STONINGTON MIDDLE SCHOOL

1 SUMMARY

This project consists of painting work as specified herein, and as required for a complete and proper installation. Painting work includes, but is not limited to the surface preparation and application of coated finishes, and subsequent touch-up, of interior and exterior surfaces to be painted. Overall painting will begin commence on or about July 1, 2019 and be completed by August 14. The contractor will paint the gymnasium first and be complete that portion of the work by July 15.

A. SCOPE

1. It is the responsibility of the contractor to determine for itself the scope and nature of the work required for a complete installation from the information provided herein. A **mandatory walkthrough** will be held on Tuesday, June 11, 2019 at 3:30 pm at Stonington Middle School prior to bidding the project to familiarize itself with all conditions and areas to be properly prepared and painted.

B. AREAS TO BE PAINTED:

1. Gymnasium - All previously painted surfaces on the walls, doors, door frames, center divider doors and ceiling, etc. of the entire gymnasium including ceiling trusses. Currently the walls are beige and the ceiling and ceiling trusses are white. It is the intent to keep the ceiling white and the walls beige, however, the wall color will be adjusted slightly when the successful contractor provides paint chips.
2. Hallways - All previously painted surfaces on the walls, doors, window frames, soffits, facias, door frames, etc. in all hallways in the entire school. It is the intent of the Owner to maintain the current color scheme with only slight variation to be determined by owner when the successful contractor provides samples. The exception is all door frames now grey will be painted blue in keeping with school colors. The actual color will be chosen when the successful contractor provides paint chips.
3. Cafeteria - All previously painted wall, door frames, doors etc. in the cafeteria . The ceiling and ceiling beams will not be painted. Currently the doors are either beige or green. All door frames and doors will be painted blue in a color to be determined when paint chips are presented to the owner by the successful contractor.

4. Window mounted air conditioner wood insert surrounds - About 8 window air conditioners have been added and placed into existing window frames. Plywood was used as insert material. It is understood that some or all of these wood surrounds are in poor condition. They are scheduled for removal in one year. The owner will be satisfied with minimal preparation and two coats of finish to make them look better than they do now. Final flaws in the wood surface will be accepted.

C. STANDARDS AND DEFINITIONS, Comply with applicable requirements of the following standards:

1. ANSI/ASTM D 16 - Definitions of Terms Relating to Paint, Varnish, Lacquer, and Related Products.
2. ASTM D 2016 - Test Method for Moisture Content of Wood.
3. All applicable federal, state and municipal codes, laws and regulations for flammability and smoke generation of interior finishes.
4. Steel Structures Painting Council (SSPC): SSPC-SP-1 through 12.
5. The California Department of health Services Standard Practice for the Testing of Volatile Organic Emissions from Various Sources Using Small-scale Environmental Chambers, including the 2004 Addenda.
6. 2003 International Building Code portion of the 2005 State Building Code, State of Connecticut.
7. Connecticut Building Standard Guidelines: High Performance Buildings Compliance

D. Samples

1. Submit to the Owner, color chips and gloss level samples of all coatings for final choice of colors and gloss level by owner.

2 - PROJECT CONDITIONS

A . Provide continuous ventilation and heating facilities to maintain surface and ambient temperatures above 45 degrees Fahrenheit for 24 hours before, during and 48 hours after application of finishes, unless required otherwise by manufacturer's instructions.

B. Do not apply exterior coatings during rain or snow, or when relative humidity is above 50 percent unless required otherwise by manufacturer's instructions.

C. Apply paints and finishes above minimum temperature conditions in strict accordance with manufacturer's instructions.

3 - DELIVERY, STORAGE AND HANDLING

A. Deliver products to site in sealed and labeled containers; container labeling shall include manufacturer's name, type of paint, color mix designation, expected coverage, surface preparation instructions, instructions for mixing and reducing, drying time, and clean-up recommendations.

B.. Take precautionary measures to prevent fire and comply with fire code.

4 - QUALITY ASSURANCE

A. Contractor is required to specialize in commercial painting and finishing with 5 years minimum documented experience.

B. Single source responsibility: Provide primers and other undercoat paint produced by same manufacturer as finish coats. Use only thinners approved by paint manufacturer, and use only within recommended limits.

5 - PROJECT CONDITIONS

A. Provide continuous ventilation and heating facilities to maintain surface and ambient temperatures above 45 degrees Fahrenheit for 24 hours before, during and 48 hours after application of finishes, unless required otherwise by manufacturer's instructions.

B. Do not apply exterior coatings during rain or snow, or when relative humidity is above 50 percent unless required otherwise by manufacturer's instructions.

C. Apply paints and finishes above minimum temperature conditions in strict accordance with manufacturer's instructions.

D. Do not paint fire sprinkler heads. Follow all regulations when painting near fire sprinklers.

6 - DELIVERY, STORAGE AND HANDLING

- A. Deliver products to site in sealed and labeled containers; container labeling shall include manufacturer's name, type of paint, color mix designation, expected coverage, surface preparation instructions, instructions for mixing and reducing, drying time, and clean-up recommendations.
- B. Store paint materials in a well ventilated area at minimum ambient temperature of 45 degrees Fahrenheit and a maximum of 90 degrees Fahrenheit.
- C. Do not use the sanitary system for mixing or disposal of refuse material. Carry water to mixing rooms and dump waste material in a suitable refuse receptacle. Remove oily rags and waste each day.

7 - SEQUENCING AND SCHEDULING

- A. Painting work should be scheduled so as to minimize touch-ups. Interior painting is to be without flash marks. Should flash marks occur due to touch-ups, the Contractor shall be required to redo the entire surrounding wall surface.

8 - EXTRA MATERIALS

- A. Provide a minimum of one quart container of trim paints and one gallon container of all other paints and finishes, to the Owner, of each color and finish scheduled herein.
 - 1. Label each container with paint mix number, and identify locations where color and tint was used.

9 - HOISTING EQUIPMENT AND MACHINERY

- A. Contractor shall furnish tools, apparatus and appliances, hoists and/or cranes and power for same, scaffolding, runways, ladders, temporary supports and bracing and similar work or material necessary to insure convenience and safety in the execution of the work of this section. All such items shall meet the approval of the Owner but responsibility for design, strength and safety shall remain with the Contractor. All such items shall comply with Federal OSHA regulations and applicable codes, statutes, rules and regulations, including compliance with the requirements of the current edition of the "Manual of Accident Prevention in Construction" published by the Associated General Contractors (AGC) and the standards of the State Labor Department.

- B. Staging, exterior and interior, required for the execution of the work of this section, shall be furnished, erected, relocated if necessary and removed. Staging shall be maintained in a safe condition without charge to and for the use of all trades as needed.

10 - MATERIALS

- A. Paints and general finishes:
 - 1. Sherwin Williams, Cleveland OH.
 - 2. Benjamin Moore & Company, Montvale, NJ.
 - 3. ICI – Paints, Strongsville OH

11 - INSPECTION AND GENERAL PREPARATION

- A. Inspect surfaces to receive finishes to ensure they are in proper condition to receive work under this Section.
- B. Commencing work on any surface will be construed as acceptance of the surface as being satisfactory to properly receive the work of this Section.
- C. Furnish and lay drop cloths in all rooms and areas where painting and finishing is being done, to adequately protect flooring and other work from all damage during the painting work.
- D. Cleaning: Do not paint over dirt, dust, rust, grease, moisture, flaking paint, or other contaminants detrimental to the formation of a durable paint finish. Clean surfaces thoroughly prior to painting in any given area.
- E. Touch up bare or abraded spots on surfaces with shop or existing finishes scheduled to be painted under this Section. Use same material used for shop coat. Substrate shall be smooth, free from raised grain; peeling or delaminating paint, putty sags, cracks, rust, grease, dirt, or other foreign matter or defect.

11 - SURFACE PREPARATION

- A. Prepare surfaces to receive work of this Section in strict accordance with manufacturer's instructions applicable to each material, condition, and finish. Follow all applicable codes when preparing surface for paint.
- B. Gypsum Wallboard: Fill holes, dents, and similar flaws in gypsum wallboard with plaster of Paris or spackling compound. Cut out and fill cracks. Patched areas shall not be detectable in finished work.
- C. Plaster/concrete: Fill holes, dents, and similar flaws in plaster with plaster of Paris or spackling compound. Cut out and fill cracks. Sand surface of patch smooth and flush with adjacent surfaces. Do not abrade adjacent surfaces. Patched areas shall not be detectable in finished work.

- D. Fill nail holes, cracks, open joints, and other defects, with puffy or plastic wood filler. Sand smooth when dry.
- E. There are plastic inserts for screws in some walls. Remove plastic or cut it back below the surface to allow flush filling the holes.
- F. Cages around devices and wall plates will be removed by contractor and replaced after finishing.

12 - APPLICATION

- A. If minimum number of coats does not completely cover or hide base materials, provide additional coats required for coverage and uniform finish appearance, as determined by Owner.
- B. Apply paint in strict accordance with manufacturer's instructions. Use applicators and techniques best suited for substrates and types of materials being applied. No material shall be thinned in any way except as directed by manufacturer.
- D. Additional Coats: Provide additional coats necessary to eliminate show through and bleed through conditions.
- E. Drying Time: Allow manufacturer's recommended drying time between successive coats. However, allow each coat to thoroughly dry prior to application of subsequent coat.
- F. Doors and Panels: Paint all doors, panels, access panels, etc., in the "open" position. Paint all edges, tops, bottoms, and both faces.
- G. Movable Equipment and Furnishings: Paint surfaces behind movable equipment and furnishings same as adjacent exposed surfaces.
- H. Finished work shall be free from runs, sags, hairs, defective brushing, and clogging of lines and angles. Flaws visible in the completed work shall be removed and the area satisfactorily repaired.

COMPLETION

A. Cleaning: At completion of work of this Section, remove paint and varnish spots, and oil, grease, and other stains caused by this work from exposed surfaces. Leave finishes in a satisfactory condition.

B. At completion of work of this Section, remove masking materials and other debris. Reinstall or replace fixtures, plates, etc., removed to facilitate application of paint.

C. Retouching: Touch-up and repair applied finishes which, for any reason have been damaged during construction work. All finished work applied under this Section shall have finished surfaces as approved by finish material manufacturer.

D. Final Inspection: Protect painted surfaces against damage until date of Substantial Completion. Owner will conduct final inspection of painting work. Areas that do not comply with requirements shall be repainted or retouched to satisfaction of Owner at no additional cost to Owner.

Other Conditions

1. Bids will be received until:
