March 11, 2021

Dear Families & Staff:

Today we are reporting two positive cases of COVID-19 at Stonington High School. The school completed contact tracing to identify close contacts. At this point in time, all close contacts have been notified.

For information about quarantining and school health practices related to COVID-19, please visit the special red banner section located at the top of the homepage of our website at <https://www.stoningtonschools.org/>.

Students and staff are reminded to complete a self-assessment of COVID-19 related symptoms each morning prior to reporting to school. We appreciate your cooperation as we begin the process of returning more students to our classrooms.

Sincerely,

Dr. Van Riley
Superintendent of Schools
