

## **Business and Non-Instructional Operations**

### **Food Service – Purposes and Facilities**

The school lunch program shall be an integral part of the district's total educational program. Administration of the food services program will be coordinated by the Food Services Director under the direction of the Superintendent of Schools or his/her designee. Business functions to be centralized will include central purchasing of food and supplies, planned nutritionally balanced menus, and regular audit of all accounts.

The educational aspects of the school lunch program will be the responsibility of each building Principal, subject to policies including but not limited to the wellness policy, advice, counsel and direction from the Superintendent of Schools, the Director of Finance and the Food Services Director.
